

# Quest #8: Ronin Recruiting

*Bosses make mistakes.  
Just be sure that you always  
explain politely.*

By decree of IkiruCorp HR, several new ronin will soon be joining your daimyo. It is disrespectful to deny any member of our great society the opportunity to serve our empire as efficiently as possible, so we expect you to accommodate their needs hastily and completely.

Please create the following users with administrative/root access on all applicable devices. (0 or 100%)

- Yuugo.Takagawa:changeme123!
- Tomeharu.Yamahata:changeme123!
- Naoka.Mizukawa:changeme123!
- Yumika.Fukuzawa:changeme123!
- Junri.Imai:changeme123!

*What's that, you say? Of course we will tell the users to change their passwords! They might need a bit of reminding, but they should do it eventually...*

## Submission instructions:

- Provide screenshot(s) indicating that the users were created.
- Submit in #team-##-quests
- Submit in a common image format (JPG, PNG, etc.)
