

**Team:** Team 08

**Inject Number:** 31

**Inject Duration:** 65 Minutes

**Inject Start Date/Time:** Sat, 16 Mar 2019 15:34:33 +0000

**From:** IT Security Mgr

**To:** Infrastructure Team

**Subject:** H127 - File System Permissions

We have confidential documents stored on our servers. These are labeled in the footer as CONFIDENTIAL. Be sure that our file permissions have these fully protected so that unauthorized users cannot get them. Enable auditing on the servers so we can track access, and access attempts to these documents. Respond with a memo, confirming that these are secure and that auditing is enabled.

Thank you.
