

Quest #10: Walls Pt 2

*The walls are burning!
Quick, on your feet samurai,
Check our defenses!*

We need your help samurai! The walls of IkiruCorp are still being hit, and we need you to check and see how our defenses have been holding up. Enemy ninjas may have already broken through, so there is no time to waste! Remember your training and go check for intrusions!

Submit a report containing firewall log output from your team's Linux and Windows boxes:

- Windows Firewall logs (25%)
- Linux Firewall logs (25%)

Stay up, Samurai! We've got walls... which we don't want to burn.

Submission instructions:
