

Quest #4: Retreat!

*Red ninjas lurking,
but vigilant samurai
prepare for their tricks*

A wise warrior always has a plan for safe retreat, as one should when they inevitably miscalculate an enemy's moves. Retreat is not shameful – it is an opportunity to collect oneself, contemplate errors, and attempt once more.

In the event that your daimyo finds it favorable to conduct a retreat, it is best to have alternative battle plans at the ready.

Submit proof of a safe backup for important configurations on:

- Windows (10%)
 - Izanagi
 - Izanami
 - Uzume
- Linux (15%)
 - Hachiman
 - Kojin
 - Keubiko
- Other (25%)
 - Ugajin
 - Fudo

What you choose to back up is up to you, but your grade will be based on the completeness of your backups and the resiliency of your storage method.

Submission instructions:

- Submit images (JPG/PNG) of proof in #team-##-quests.
- Caption each image "Team #, <Category>, <Host Name>, Screenshot #".
- There is no limit to the number of images that can be submitted per host.
