

Quest #9: Snort

*Note our defenses,
The pig shall shield one's bacon,
Snort them ninjas, fast!*

Samurai, the ninjas have been actively sneaking past IkiruCorp's defense systems. We cannot let them lurk in the shadows, so the questing division calls for a means to sniff them out! Time to deploy some of our buta troops!

Submit proof of the following:

- Install and run Snort on one of your *NIX boxes (50%)

Submission instructions:

- Submit in #team-##-quests.
- Submit a screenshot of Snort running.
- Submit your Snort configuration file as a .txt with the name Team##-Quest09.
