Subject: K101 - WeaveSocks Credit Card Data Breach

It has come to our attention that located out on the dark web is customer financial and credit card information from WeaveSocks website. Please verify this has occurred and submit a professional business memo to notify the executive team on what has occurred. Attach a public release letter notifying the public / press acknowledging that a breach has occurred. Also, include a memo to the customers directly informing them that their WeaveSock credit card information may have been compromised. Include any artifacts that you can find in our logs to verify the breach and its scope.

Thank you.

CEO
