

Quest #6: Walls Pt. 1

*Samurai, act fast!
Enemy lines approaching,
We need defenses!*

Samurai, get over here! Ninja forces are attacking IkiruCorp's outer walls, and we cannot let them fall! We have obtained the required resources and units to help reinforce them, but we need your commanding efforts to ensure that all vital repairs are implemented!

Submit PowerShell and Bash scripts to add basic firewall rules to your *nix and Windows boxes. Be sure to include a short description of each implemented rule as a comment.

The following must be included:

- At least 5 Powershell rules (15%)
- PowerShell descriptions (10%)
- At least 5 Bash rules (15%)
- Bash descriptions (10%)

"When you think you're safe is precisely when you're most vulnerable." -Seven Samurai

Submission instructions:

- Submit PowerShell (.ps1) and Bash (.sh) files.
- Submit in #team-##-quests.
- Submit filenames starting with Team##-Quest06.
