

Team: Team 1

Inject Number: 1

Inject Duration: 8 Hours

Inject Start Date/Time: Sat, 10 Nov 2018 14:12:47 +0000

From: CIO

To: IT Staff

Subject: Welcome to the 2018 Midwest CCDC Invitational

Access credentials to the cyber stadium will come via the next inject.
Please respond to this inject to confirm,

- your team is ready to compete
- you agree that workstations are functional with enough for each competitor
- you have a copy of the team pack, and agree to abide by the rules stated therein
- only refer to your team number, not the name of your school when communicating with the judges

Competition key communications methods:

Teams can communicate via the ISE. An inject will be provided so that submissions can query the scoring engine manager.

Teams may also use WebEx, but keep in mind everyone can hear.

Hope you do well.

CSSIA Management Team

Thank you.
