

# Quest #1: Konnichiwa!

*Warring daimyos, in  
the annals of history -  
but what are their names?*

It has come to our attention by IkiruCorp's glorious new Division of Ineffectually-Managed Formulae and Other Instruments that certain unregistered daimyos intend to share in the spoils of war without levying proper taxation to our glorious new empire!

The Quests Division has been tasked to collect the following registrations for our sister Division, with haste.

Submit the following via text in #team-##-quests:

- **Daimyo name** [Team name] (10%)
- **Bakuhan** [Team member names and Japanese honorifics] (10%)
  - **Oyakata** [Team captain] (2.5%)
  - Other Japanese titles as seen fit – get creative! (2.5%)
  - Don't forget to include your new titles in your Discord nickname to command proper respect from your *daimyo*!

Submit the following as an image in #battle-standards:

- **Daimyo battle standard** (20%)
  - Use a common image format (JPG, PNG, etc.)
  - Any *free* program you have available is allowed.
- **Battle cry** (10%)
  - Include on your battle standard in English and Japanese
  - Be original! Do not copy one from the Internet.
