Subject: INCIDENT REPORTING

If you suspect an incursion by the Red Team, please submit an Incident Report with as much detail as possible. Up to 50% of the points lost due to Red Team activity can be recouped through diligent, thorough, and complete reporting of known and suspected attacks. Please submit one report for each incident; be as detailed as possible.

Include the following information:

* date/time the attack started (if known)
* date/time the attack was discovered
* attacker source address
* target system name / address
* target port / service
* type of attack (virus, hacking, DoS, etc)
* result of attack
* vulnerability that allowed the attack
* how discovered
* how contained
* remediation actions / controls
* result of remediation

Thank you.
