Subject: HDC 3 - Harden your Windows 10 Client

The Windows 10 client should have all Windows Updates installed.

Provide a screenshot of the System information.

Provide a screenshot which shows the last time the Windows 10 client checked for Windows Updates and all Windows Updates are installed.

Enable the Windows Firewall. Block all inbound traffic.

Provide a screenshot showing the Windows Firewall is enabled and inbound traffic is blocked.

Enable Windows Defender. Make sure Windows Defender is running with the latest security definitions.

Provide a screenshot of Windows Defender on the Windows 10 computer that shows it is enabled and the timestamp for the active security definitions file.

Thank you.
