Team: Team 1

Inject Number: 9

Inject Duration: 45 Minutes

Inject Start Date/Time: Sat, 10 Nov 2018 15:49:46 +0000

From: IT Director

To: Blue Team Defenders

Subject: PA FW Configuration

Based upon the server and services inventory, create corresponding PA firewall policies. Focus on policies that reference application layer parameters rather than the typical TCP/UDP with port number of approach.

Write a memo with a screen shot illustrating these policies.

Thank you.

IT Director
