Subject: [O-302] VOIP sshd config change.

The new system managers have asked that we add the following line to our sshd_config

KexAlgorithms curve25519-sha256@libssh.org,ecdh-sha2-nistp256,ecdh-sha2-nistp384,ecdh-sha2-nistp521,diffie-hellman-group-exchange-sha256,diffie-hellman-group14-sha1,diffie-hellman-group1-sha1

Once that is done please restart the sshd service.

Thank you.

IT Director
