Quest #7: Data Deposit

Your next instruction,
Deposit your database
Preserve our wisdom!

Samurai! Enemy daimyos are attacking the heart of our network, and our libraries shall not fall! The Quests Division demands that Tenjin's collection of wisdom must be preserved at all costs, and we must not lose it to the enemy!

Submit a report containing the following:
- **Commands to perform a database dump on Tenjin's MariaDB database (10%)**
- **Proof of successfully dumped database (40%)**
  - **Example command for proof: (head -n 10 dump.sql)**

A true samurai shall inscribe all lessons of failure and victory.

Submission instructions:
- **Submit in #team-##-quests.**
- **Submit as a PDF.**
- **Submit with the name Team##-Quest07.**
